If the dog becomes pregnant or sires a litter the Health Warranty is null and void. If there is some reason the puppy cannot be spayed/neutered by 1 year of age, proof and/or an explanation from a qualified Veterinarian will need to be sent to Cheryl Spears.

4. The buyer agrees that the above stated puppy will be housed indoors and will be fed only a premium quality, well balanced diet that is suited to the puppy's breed and estimated mature size. The puppy/dog will NOT be surrendered by the buyer to a "rescue" or a "humane society" or a "pound". The seller will always be available to help in this unfortunate kind of circumstance.

7. If there is a sudden and/or unexplained death of the above stated puppy/dog within the time of warranty, the buyer agrees to have an autopsy performed by a Certified Veterinarian (at the buyers expense) to determine the cause of death. Proof of these findings will be submitted to Cheryl Spears.
